## VISIT TO McMICHAEL MOTORSPORTS, INC.

August 19

McMichael Motorsports is a dealer for the Superformance Coupe which is an updated version of the Shelby Daytona Coupe. According to Road & Track, only six of the Daytona Coupes were ever built and all were for competition. The new Superformance Coupe is being built by Superformance of Port Elizabeth, South Africa and Peter Brock, the original designer of the Shelby. You can read the full story in the March 2006 issue of Road and Track which can be accessed online at [www.roadandtrack.com](http://www.roadandtrack.com). You can find about more about McMichael by going to

[www.mcmichaelmotorsports.com](http://www.mcmichaelmotorsports.com).

McMichael Motorsports is located almost directly across from Road Atlanta which can be reached by proceeding north on I-85 from the northern arc of I-285. From I-85, turn onto I-985 and go to exit 16. Turn right or east and proceed on Hwy. 53 until you reach Road Atlanta. McMichael is on the left at 5289 Winder Highway.

Our tour is set up for 10:30am on Saturday, August 19. The phone number at McMichael is 770-965-9330. Contact Joe Newell with questions.

## Concours d'Elegance – Chattahoochee Country Club October 8, 2006

Submitted by Roy Cleveland & Pat Harmon

The Club's 2006 Concours d'Elegance will be held October 8, 2006 at the Chattahoochee Country Club in Gainesville, Georgia (the country club has undergone a \$2.6 million clubhouse renovation since our last concours so the facilities should be even better than in the past). This is one of the biggest events which we have each year.

In 2004, we had over 50 Jaguars (there was no local concours in 2005 because the national JCNA show was held here). The objective is to have a delicious brunch with fellow enthusiasts in a pleasant setting and to enjoy looking at beautiful Jaguars. This can

happen only if you and your Jaguar are there; so dust off your cat and plan to attend. Your car does not have to be perfect for you to attend. In fact, it adds to the day if there are cars in varying conditions on hand. If you register for "Display Only," everyone can enjoy seeing your car without it having to be judged. The Chattahoochee Country Club is located on Lake

Lanier just off Highway 60 which connects Gainesville and Dahlonega. For more information about the club see [www.chattahoocheecountryclub.com](http://www.chattahoocheecountryclub.com). Also, we will shortly post information on our portion of the JCNA website (click club list, SE U.S., NGJC).

### Overnight Club Trip To Warner Robins AFB

Submitted by Pat Harmon

For those of you who haven't been there, there's a real treat waiting for you just two hours south of Atlanta – The Warner Robins Museum of Aviation. Back in my Air Force days, Nancy and I were stationed there from 1986 to 1990

*–This is a R.S.V.P event – see below*

and the museum was just then being started. Now, it is HUGE with over 200,000 air conditioned square feet and 93 restored aircraft on display. My favorites include the B-29 (atomic bomber) and the daunting SR-71 Blackbird with a top speed of only

## PRESIDENT'S LETTER

I was pleasantly surprised at the excellent turnout we had at Hennessy Gwinnett for our "Concours 101" session. Four of our newer members attended so we had a chance to get acquainted with them and, as usual, Pat and Nancy Harmon did an excellent job with the presentation and the organization. Pat really has our judging area in good shape and I think it is just going to get better. Thanks to him and to those of you who have attended these sessions to become certified and have performed judging duties. Speaking of judging, we'll get to put that expertise into use at our annual concours which will be here soon. There is a detailed article on the concours in this newsletter. Please read it and plan to participate. We have moved the date later by a week or so to increase our chances of having cooler, dry weather. Also, it will help us tremendously in planning our meal arrangements if you would register as soon as possible. If there is some reason you want to

wait about registering, then it will help if you just give us an indication of your plans.

The only event planned for August is the visit on the 19th to McMichael Motorsports. See last month's newsletter or contact Joe Newell for more information on that visit. September has two club events and a couple of non club events. The two club events are the overnight trip to the Warner Robins Museum of Aviation on the 16th and our Fall Slalom on the 24th. An article on the Warner Robins trip is in this newsletter and the Slalom will be covered in next month's newsletter.

One bit of Jaguar news on the local level is that Randy Coile who was the Sales Manager at the Hennessy Buckhead location has left Hennessy for another opportunity. Randy gave

our club excellent support and helped tremendously in enabling NGJC to develop a positive relationship with Hennessy. We are sad to see him leave. The good news is that he is being replaced at the Buckhead location by Steve Newcome who was previously the manager at the Hennessy Gwinnett location. Steve has also generously supported our club (remember the great cocktail party they had at the beginning of the Challenge Championship last year—it just got the whole event started on the right foot ) and we look forward to continuing our good relationship with Hennessy. Tricia Williams, one of our members, is replacing Steve at the Gwinnett store. We congratulate her on her new job.

Cheers,  
Roy

**PLEASE MARK YOUR CALENDARS!! for Sunday, September 24, 2006 for the Fall Slalom Training School at Chicopee Woods Agricultural Center. Please watch for an article in the NGJC's September newsletter.**

Some of our newer members may not be aware that we have an official club grill badge which may be purchased for \$30 and a matching lapel pin for \$5. Each of the badges has a unique number on the reverse. We have baseball cap type hats with the NGJC logo which we will sell to you for \$10 (if you promise not to wear it backwards). From time to time we order shirts (short and long sleeved) with our logo on them.

We also have a number of the posters which were prepared for the Challenge Championship last year which we will sell for \$5 each. There was also an official grill badge prepared for that event and we have some extras of those as well. The grill badge is in the shape of a Georgia peach with the words "2005 Challenge Championship" at the top

and the Jaguar "wings" logo underneath that. These are priced at \$15.

Contact Pat Harmon or see him at one of our events for a hat or other clothing items. For all of the other items, contact Roy Cleveland. He usually has a few badges with him at our events.

# Concours d'Elegance – Chattahoochee Country Club October 8, 2006

Submitted by Roy Cleveland & Pat Harmon

We have arranged for a site convenient to the main clubhouse to be reserved exclusively for our use. There is a large covered pavilion next to the club swimming pool and adjacent to the car display area where members and entrants may relax in the shade. This area also will be reserved for our exclusive use on that day. A brunch (sponsored by **Hennessy Jaguar**) will be available in the clubhouse for our members and concours entrants. A private dining room facing the lake has been reserved for our use. The brunch will include the usual array of brunch type dishes as well as beverages and dessert. This will be an officially sanctioned JCNA event and scores will count toward national standings. JCNA rules will be followed; therefore, there will be a Champion Division, Special Division and a Driven Division. There is also a Preservation Class within the Champion Division. Registration fees are detailed in the registration form which is included in this newsletter and the form will be available online shortly. You can find the Rule Book at [www.jcna.com](http://www.jcna.com) (click on Concours, then scroll down to the section headed "Concours Rule Book & Forms").

The schedule for the day is as follows:

<b>10:00 am - 11:00 am</b>	<b>Arrival and placement of cars</b>
<b>11:30 am - 1:00 pm</b>	<b>Brunch</b>
<b>1:00 pm - 2:30 pm</b>	<b>Judging</b>
<b>3:30 pm - 4:30 pm</b>	<b>Awards presentation</b>

You may arrive earlier than the time specified above. If you wish to arrive earlier, give Pat or Roy a call. There will be a separate room in the country club for our members and guests so that everyone doesn't have to eat at the same time. The country club does request that guests in the main clubhouse wear collared shirts. If you are a NGJC member or a member of another JCNA club and you enter a car in the concours

(Champion, Driven or Special Division) or you enter a Jaguar for display, there will be no charge for brunch for you and a guest (normal brunch cost is \$24). If you are unable to bring a Jaguar, you are welcome to attend and have brunch but you must fill out a registration form and pay for brunch. You will notice on the registration form there is a slight discount for registering before September 7.

The registration form for the concours is included in this newsletter. If for some reason, the form is missing from your newsletter, call or e-mail Roy Cleveland or Pat Harmon and we'll get one to you.

The Chattahoochee Country Club can be accessed from I-85 or Georgia 400. Directions are provided below for both. If you have any questions about these directions, don't hesitate to call Pat or Roy.

### DIRECTIONS TO Chattahoochee Country Club:

**VIA I-85 – Proceed north on I-85 until you see the exit for I-985 Turn left onto I-985 Continue north on I-985 to Exit No. 22 (approx. 22 miles) Take Exit No. 22 and turn left at the end of the exit ramp onto Hwy. 129 Continue 1.8 miles into Gainesville where Hwy. 129 merges with Hwy. 60 (Brenau Univ. & P.O. on right) Continue following the signs for Hwy. 60 North toward Dahlonega (Hwy. 129 & 60 diverge in front of the First Baptist Church) until you reach Thompson Bridge (about 3 miles from downtown). After crossing Thompson Bridge, continue through the first red light and look for the first left turn (one-quarter mile) which is Club Drive (there is a country club sign at this turn). Turn left onto Club Drive and continue for a couple of miles to the end of the road to the Clubhouse – our parking is on the right side after you enter the Club grounds**

3700 mph! The adjoining Warner Robins Air Logistics Center is also huge. It is the largest industrial complex in the Southeast and the Air Force Depot where the C-130, C-141, C-17 and F-15 aircraft are routinely overhauled and maintained.

**OK, Here's the plan.** We'll be meeting

on Saturday, September 16th south of Atlanta (Hardee's, I-75 exit 222, Jodeco Road) at 11:00 am for an early lunch. From there we'll motor south on I-75 to Warner Robins (about 2 hour drive). That afternoon we'll tour the museum and then check into our hotel rooms.

## Concours Corner

Submitted by Pat Harmon, Chief Judge

Just a quick note of thanks to everyone attending our recent "Concours 101" session at Hennessy Jaguar. Again our thanks to Tricia Williams, the new Hennessy manager, for allowing us to use their facility. I was very happy to see such a good turnout with 24 attending. This was a first of its kind session for us. Our purpose was to introduce the Concours d'Elegance to those who've not yet had the experience. We learned all about car classes, how the cars are judged and scored and also how to prepare our cars for the event. For some reason, many folks

are intimidated by the Concours and this session, hopefully, dispelled their fears.

We are now in the planning stages for our Concours on October 8th at the Chattahoochee Country Club in Gainesville. We are becoming famous in the South for having the Concours with the best lunch, money can buy! So, get out there, suds-up your cat and get ready for some fun times this Fall.

Rags Down!

Pat

## Sports Imports & Classics, LLC

We sell or lease vehicles that are still under the factory warranty. To us, purchasing a car should be a pleasant experience; therefore we price our cars realistically.

We leave the haggling to the other guys

All of our cars are under factory warranty, but we also offer the option of an extended warranty at a reasonable price.

Want a particular Jag? Try our Custom Order program under the What's New heading on our website.

We purchase our vehicles at the Exotic Highline auction from Jaguar Leasing Corporation or Jaguar Credit.

The new car dealers purchase their pre-owned cars at the same auction.

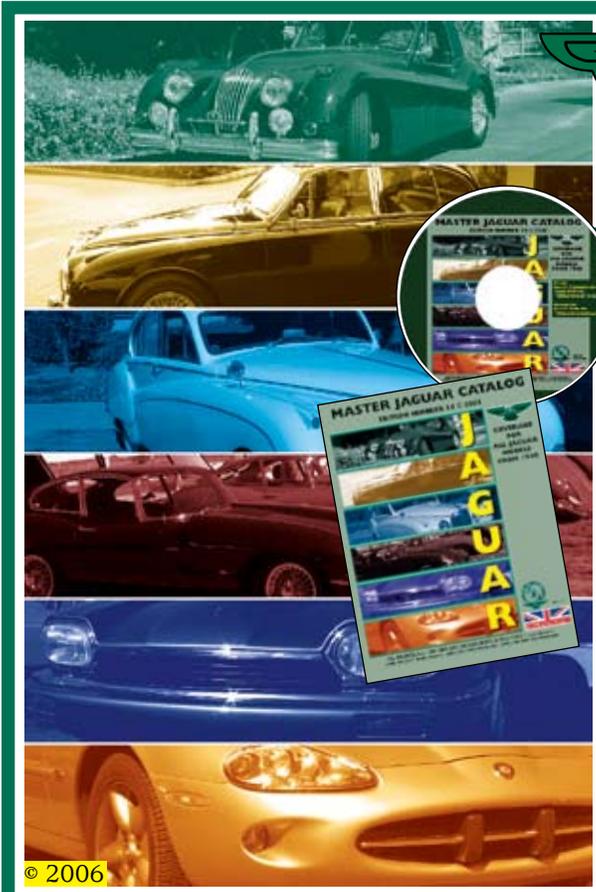

Our selection criteria include only those vehicles that are the cream of the crop. We do NOT buy repossessions, rentals, unibody damaged cars or lemon law returns. We leave those for the other guys. All of our Jags are kept in our indoor showroom.

Visit our website at [www.SportsImportsAndClassics.com](http://www.SportsImportsAndClassics.com) or call us at **678-205-1800**.

We are members of the North Georgia Jaguar Club and the Jaguar Club of North America. We not only sell Jags, but own them as well.
