## International Jaguar Festival Update on Club Expenses

*Submitted by Dave Kirkman*

We have been promoting the International Jaguar Festival as a destination weekend with multiple events to attend and places of interest to visit. Thanks to the excellent article, by Lois Heine, that appeared in the May/June issue of the Jaguar Journal I believe we have set the stage to continue to promote the IJF as a complete fun weekend event for all attendees.

### FRIDAY NIGHT "Tireside Chat"

Friday evening, September 26, the Savoy Automobile Museum will host the "Roar of the Jaguar" as one of their featured "Tireside Chat" events that are open to the general public. Bruce Patton, Savoy Museum Creator, told me on Friday that the museum now has seven Jaguars with race and rally histories coming for the museum's fall and winter display. The latest addition is a short nosed D-Type from the Jim Taylor collection. I am sending a complete list, when it is finalized,

along with several pictures to Nicole Smart to be included in the July-August issue of the Jaguar Journal to help build additional enthusiasm for the IJF. **JCNA member George Keller has loaned his 2009 Jaguar XKR-RSR ALMS GT2, Mike Grosso is sending his 1992 XJ220 that raced in the Fast Masters Series here in America, and Scott and Natalie Bluestein are lending their SS Jaguar that just won its class at the Greenbriar Concours. Kim McCollough, former Jaguar VP of Marketing, is loaning her XK120 she drove in the Mille Miglia historic rally, and Bob Tullius, from the famous Group 44 racing team, is sending their Jaguar IMSA XJR7 /002.**

Bruce also told me the Museum Café will be open until 7:00pm that evening. All good news indeed!

## Letter from the President

We had a great turnout for British Motorcar Day at the Suwanee Town Center on Sunday, May 18th. I counted close to 30 Jags. We had some British weather in the morning, but by 11:30 the rain had stopped and the sun began peeking through the clouds. The forecast for inclement weather didn't deter any Club member from showing up. I arrived shortly before 10 am and was told at registration that all the parking spaces for Jaguars had been filled. I had to park alongside a curb across from our assigned parking spots. I spoke with a number of Club members, and everyone enjoyed the show, well almost everyone.

*Continued on page 2*

## Please welcome new members

Rick Mumalo of Hoover, AL,  
Andrew Chisholm of Calhoun GA,  
John and Parker Blaze Caffey of Hattiesburg, MS, and  
Mike and Susan Thies of Dacula, GA.

I enjoyed the show until someone walked up to my XKE and pointed out I had a flat tire. I was surprised to see my front passenger's side tire had a large silver screw stuck in it. I was "screwed" so to speak. I thought briefly about trying to change the tire and put the spare on, but wasn't sure I could do it since I had never changed a tire on my E-Type. One of the downsides to having wire wheels is that you have to have inner tubes, which means repair kits like run-flat won't fix a flat.

I decided that the most prudent course of action would be to call for a tow, so I called Hagerty (I'm a Driver's Club member). As an aside, I used to have Triple A towing, but they dropped me for "overuse" of their towing services. I finally got through to Hagerty and scheduled a tow. After many text messages, Hagerty called to inform me that no tow truck driver was available until Monday. My only alternative was to change the tire and hope the spare had air.

Fortunately, some Club members knew a guy from the Triumph Club who had changed many tires on E-Types. We pulled the spare out of the boot and found it had air. After jacking up the passenger side, the Triumph Club guy whacked off the knock off hubs with my lead hammer. You might think one would use a rubber mallet so as not to scratch the chrome on the knock offs, but that tool is probably too soft to loosen the knock offs. Once the knock offs were removed, the flat tire could be pulled off and then replaced with my spare. The car was lowered to the ground and voila the job was done. Two things to watch out for. First, make sure the jack is position correctly under the frame before attempting to lift the car. And second, pay close attention to the engraving on the knockoffs as to whether you need to turn them clockwise or counterclockwise. In the U.S. just about everything is clockwise to tighten and counterclockwise to loosen (rightsy tightsy; lefty loosey). I hope someone will write a future column for newsletter

explaining why the British don't follow the standard rules for spinning off knockoffs. The British aren't even consistent; I think it's clockwise for the passenger side wheel and counterclockwise for the driver's side wheel or maybe I have it backwards. The future column could be several pages covering the full history of the engineering designs or as brief as three words: Because it's British. Moral of the story: No matter how bad something seems at the time, there's almost always a Club member willing to help or knows someone who can help.

I think everyone knows that our Club is hosting the JCNA International Jaguar Festival at the Savoy Automobile Museum in Cartersville, GA on September 25-28. You can register online through the Club's website or through JCNA: [www.jcnaif.com](http://www.jcnaif.com). A special weekend is planned with the "Tire-side Chat", Concours, Awards Banquet, Rally, Scenic Drive, and possibly a slalom. The museum now has seven Jaguars with race and rally histories coming for the museum's fall and winter display.

Looking forward to seeing everyone at John & Robbie Yates Club picnic on June 7th.

## Hilton Head Concours Announces Cadillac As Honored Marque

This fall, the Hilton Head Island Concours d'Elegance & Motoring Festival, October 29-November 2, proudly honors Cadillac—a name that has defined prestige, innovation, and performance for over a century. From pioneering the electric self-starter in 1912 to creating the first production V-16 engine in 1930, Cadillac earned its place in automotive history not just through luxury, but groundbreaking ingenuity. And in 1908, it made global headlines by winning the Dewar Trophy, proving the revolutionary value of interchangeable parts—forever changing the future of mass production. This year's show field will feature some of

*Cadillac*

the most breathtaking examples of Cadillac's artistry, including coach-built classics, early production icons, and visionary one-offs that redefined an era.

A Collection Fit for a King: We are thrilled

to welcome Steve Plunkett as our 2025 Pinnacle Collector—an esteemed Cadillac historian and collector whose fleet represents some of the most significant Cadillacs ever produced. Among them is a once-in-a-lifetime masterpiece: "The Duchess" – a 1941 Cadillac Custom Limousine, built for King Edward VIII and Wallis Simpson. Residing at the Waldorf Astoria during their American chapter, the royal couple named the car themselves. Designed by the legendary Harley Earl and Bill Mitchell, this one-of-one Cadillac blends bespoke elegance with royal flair—and you'll see it firsthand, only at Hilton Head.

## Virginia Jaguar Club Concours d'Elegance June 14th in Richmond

*Submitted by Wayne Estrada*

The Virginia Jaguar Club invites you to our JCNA sanctioned Concours in Richmond, Virginia on Saturday, June 14th on the beautiful grounds of St. Joseph's Villa. As in past years, this is a "show within a show" as part of the 500+ car larger Richmond Antique Automobile Club of America (RAACA) annual show.

This is an excellent opportunity to enter your Jaguar(s) to qualify for national point qualification as well as also enjoying an outstanding automotive event.

Registration for the VJC show is \$60 per Jaguar, however there is also a required entry fee for the RAACA show of \$15 pre-register

and \$20 on day of show.

All the details for both are on our web site at 2025VJCCconcours You can register and pay on-line; just follow the link at the bottom of that page. There is also a link for the RAACA page there as well.

One often asked question is about trailer parking, and yes, there is a large trailer parking area available. Once we have a map of this year's facility, we will post it on the Concours page on our web site, so please check back.

One last but important detail: Our club has a limited number of JCNA qualified judges, so registrations will be

closed based on the number of participants that will also be able to be part of this year's judging team. John Larson of the D.C. based NCJOC will be the Chief Judge for this year. When you register on-line, please let us know if you are able and willing to judge.

Thank you, and hope to see you at this year's event.

Kind Regards,

## Highlands Motoring Festival June 12-15, 2025

**SORRY!** All the One-Lap events are filled.

### **Classics In the Park Invitational – Saturday, June 14**

The centerpiece event of the festival is Saturday's concours level judged showing of invited classics. The 2025 featured theme is "The Cars of Enzo Ferrari". All pre-1990 makes and models are eligible to apply for invitation. This event is free for both spectators and participants, but donations are appreciated. The same is true for the "Main Street Parade of Classics" and "the "High Octane" car show in the Kelsey-

Hutchinson Park 9:30am to 4pm. Closed for applications.

**The Gala and Automobilia Auction**  
Come dine with old and new friends at the Wild Cat Country Club. You will hear tales of

classic automobiles from the festival's Grand Marshall, Corky Coker. The evening will also include silent and live auctions of selected automotive memorabilia from the collection of Dr. Terry Clark and others. Tickets are still available for this event at Wildcat Cliffs Country Club 6pm to 9pm

## Thank you For Making The 2025 Atlanta British Motorcar Day a Resounding Success!

Thank you to all who displayed their cars and/or came to browse the great motorcars on display. We had a brief "free carwash" from the heavens early on, but almost everyone stayed put and they were rewarded with an amazing afternoon.

While the various clubs enjoying getting together every year at this event, proceeds from the registration fees are given to a local charity. This year's recipient is Georgia

C.O.P.S. Each year, between 140 and 160 officers are killed in the line of duty and their families and co-workers are left to cope with the tragic loss. Concerns of Police Survivors (C.O.P.S.) provides resources to help them rebuild their shattered lives.

As we wrap this year's show, we would appreciate your feedback - what did you like, and what suggestions do you have to make our show better next year? Send us a message

at [atlantabritishmotorcarday@gmail.com](mailto:atlantabritishmotorcarday@gmail.com)

We'll be setting the date for next year very soon. Same location around the same time in May.

Thank you also to our vendors: Uppercut Promotion, Window Nation and Duluth International Auto Service  
Thank you also to Scout Troop #2115 for assisting with our traffic direction.
