### ATHENS TOUR REVEALS IMPRESSIVE CAR COLLECTION

The skies were threatening on the morning of our Athens tour but the weather and our moods improved as twenty-three of us "tailgated" in Athens with coffee, juice, and pastries. From our meeting point, we drove to see George Bugg's very impressive car collection. We all enjoyed seeing his cars, which are in showroom condition, and hearing the stories related to them. A few interesting points about his 20-30 car collection:

- 1.) most of the collection consists of Fords ranging from the 1930's through the mid-1950's,
- 2.) most cars had a Georgia license plate for the model year when it

was for sale. Mr. Bugg was a gracious host and did his best to make us feel welcome.

After leaving the car collection, we had a delicious lunch and a lot of friendly conversation at a restaurant in the Foundry Park Inn complex. Most of us convoyed on to the Georgia Botanical Gardens which probably deserve an entire article – but by a qualified horticulturist.

This event was fun, interesting, and just a pleasant way to spend the day and we actually had

quite a few Jaguars on the prowl. We appreciate Tom and Dava's efforts in planning and hosting this most enjoyable day. 

### THE NEW XJ EVENT AT ROAD ATLANTA

On Friday, April 25, Jaguar had eight to ten XJs (XJRs, XJ8s, and VDPs) for JCNA members to drive on an autocross course at Road Atlanta. Since the day was reserved for JCNA members and media, it was possible to take multiple (many!) trips through the autocross course in all of the XJ models. In addition, there was a hospitality tent with refreshments and racing simulators for our enjoyment. All of us who drove the cars were very impressed with the new XJ in any of its variations. It is seriously quick and very quiet and comfortable. If you weren't able to participate in this event, look for similar events as new models are introduced. 

### PRESIDENT'S COLUMN

As we approach the busy summer there will be many things to distract us from the important things in life-especially driving our Jags. We have several events coming up which will give you the opportunity to get out and go.

Our event last month was a great outing to Athens, home of the best university in the world. Thanks to the Koballas for planning this marvelous day.

This month we go to Chateau Elan for the annual British Motorcar Day. For those of you that have never been to this event it is a relaxed day of looking at all types of British cars and chatting with friends. A no pressure car show in a beautiful setting. What a treat! The show is May 17 and registration closes at 11:00 a.m. so be sure to get there in plenty of time. Next month we take a weekend trip. More details are elsewhere.

Happy Motoring

## NEW XJ TEST DRIVE AND TECH SESSION – MAY 10

The plans have been finalized for our tech session on and test drive of the new Jaguar XJ. Hennessy Jaguar Buckhead has invited us to their dealership on Saturday, May 10 from 9:30 am to noon to drive the new XJ. They will have a light breakfast available for our members and will have a technical expert on hand to give a short presentation and to answer questions. Randy Coile, Sales Manager, intends to clear his display area in front of the dealership and have us park our cars there. I hope we can provide a good number of cars to park there. It would be particularly nice to have a few of the older sedans (Mark 2's, XJ6's, Mark IX's, etc.) displayed. You might want to bring a "Do Not Touch" sign if you are worried that anyone would not have proper respect for your car. Also, be sure to bring a drivers license and insurance card. If you are planning to attend, please call or e-mail Roy Cleveland by May 6. If you can bring your car, please call or e-mail as soon as you can.

## JCNA 2003 MEMBERSHIP CARDS

You should have received your 2003 JCNA Membership card by now. This also serves as the NGJC membership card since the "SE 57" on the card identifies you as a member of Southeast club number 57. In the first printing the expiration date was printed incorrectly; therefore, JCNA is reprinting the cards to reflect the correct expiration date of 12-31-03. If any of you have not received a card, please let me (Roy Cleveland) know. The corrected cards should be mailed soon.
