Letter from the President

Dick Maury is offering a tech session Saturday, July 20th. He'll be offering tips on maintenance of all makes and models at his garage in Snellville.

We have been invited to the Southeast British Car Festival hosted by the Peachtree MG Registry (PMGR). The dates are September 12-15, and the location is the Dillard House in Dillard (Rabun County) Georgia. This is a regional event celebrating the 40th Anniversary of the PMGR and the 60th Anniversary of the Sunbeam Tiger.

All marques of British cars and motorcycles are invited to show their vehicles. There will be awards presented, tech session(s), guide tours, self-driving tours, silent auction, great food, and fellowship. I and Kaj Johnson designed the T-shirts, which feature a Jag, MG, Triumph, and Sunbeam. You can get more information and register at peachtreemg.com/Dillard-2024. I just checked the website and it appears fully operational. Early pre-registration is \$60. Some events have already sold out, including the winery tour. If there's enough interest, we could possibly schedule an additional informal winery tour.

It's that time of year again!
How many Judges does it take to put on a Concours with 30 Jags, assuming half are Champion Class and half are Driven Class? You'd be surprised!

Assuming 5 cars per Judging Team, here is what we need:

3 Judging teams for Champion Class at 3 Judges per team, or 9 Judges; and 3 Judging Teams for Driven Class at 3 Judges per Team, or 6 Judges. Add 1 Judge for Operational Inspection, 1 Judge to serve as an alternate, and 1 Chief Judge – that's a grand total of 18 JCNA Certified Judges!

So, where is this leading? Planning for our annual Concours is well underway, and my responsibility as Chief Judge is to ensure that our

Awards Presentation

Awards presented 12:30 pm at the DJ Tent. Our judges will carefully look at each and every car and present an award for this year's overall "Best in Show", "Best in Show Owners Choice", and a "Featured Marque Owners Choice" award for the car selected from the featured marque, Lotus. Motorcycles will also be expertly judged for their own "Best in Show" and "Best in Show Owners Choice".

Calling All Motorcycles!

The 2024 Atlanta British Car Fayre will feature more classic British motorcycles than ever before, and we'll have a special section put aside to feature your two

wheeled classics. For more information, contact Steve Griffith at: gabmanewsletter@gmail.com of the Greater Atlanta British Motorcycle Association. Or contact us at: info@atlantabritishcarfayre.com.

We will have a "Best In Show" and "Best in Show Owners Choice" awards for our motorcycles!

Car Boot Sale

Our introduction of this event was so successful we're bringing it back again! It's the British version of a yard sale, with everyone selling stuff from the back of their car or truck. Your vehicle doesn't have to be British born. If it has a "boot" (that's what we Brits call the trunk of a car) it qualifies. We assign one regular parking space and you can set up a table at the back of your vehicle if needed. The attendance at past Car Fayres has been more than 15,000 people, so pack your car or truck with anything you think might sell.

I want to make a plug for Import Auto Repairs in Alpharetta. The owner Austin Blanton reached out to the Club and has agreed to help sponsor our Concours Show on October 27. Import Auto works on Jags from 1990's through the present, filling a dealership void. I

visited the shop on June 27. I cannot speak to the quality of the work, but it was a busy place. The address is 6735 Atlanta Highway, Alpharetta 30004 (404 819-9000). Look for their ad in the newsletter. Dave

event is properly staffed with trained Certified Judges. In my humble opinion, our club has historically fielded some of the finest

trained, most knowledgeable, and fairest Judges

I have ever encountered.

None of this happens by chance. Over the 5 years since I became Chief Judge, however,

we have had a decreasing

number of members who want to enter

the Judging program and, through normal attrition, we are falling short of the minimum number needed. For the past several years,

we have had to recruit Guest Judges from neighboring JCNA clubs to make it happen.

What we need now is for more NGJC members to get involved. It's fairly easy and we can teach you everything you need to know. All that is required is to first review

the Concours rules located on the JCNA website, attend our half-day training class on August 17th, and complete one Concourse as

an Apprentice Judge, all the while learning from some

of the most knowledgeable Jaguar enthusiasts in the Southeast.

By the time we hold our Concours on the last Sunday in

October, you will be a JCNA Certified Judge! This is a great way to learn about our Jaguars and to pass this heritage on to the next generation.

If you would like to learn more, please reach out and I will get you started.

16th Annual North Georgia Jags 'N' Friends Picnic Map

Submitted by John Yates

Thanks to everyone who came to the picnic. It was great to see everyone visiting and enjoy each other's company. Smoke Jack came through with another great tasting meal. The corn chowder side was a runaway hit. With the choice of BBQ chicken, pork or both there

was plenty of food for seconds. This year we delivered the leftover food to the non-profit Art of Living Ministries of Ball Ground Georgia. artoflivingministries.com

Alongside all the stunning Jaguars from Jaguar Enthusiast Club members, a very special royal XJ was on show.

The 2002 Daimler Super V8 Saloon was used by HM The Queen for her private motoring for two years until it was returned to Jaguar for preservation by the Jaguar Daimler Heritage Trust (JDHT) in 2004. In addition to having seen Royal use, this particular car is also of historical interest as it is the last of the Jaguar and Daimler X308 range, built in July 2002.

For Sale: 1962 Model Mark II (I believe)

Submitted by Eric Akridge

My father-in-law Lee Akridge was a Jaguar enthusiast. He owned a relatively recent Jag, made an old looking Jag "kit" car in retirement, and had a third project in the works - but died before he could finish it. The original owner was reporter Irving R. Levine. While stationed overseas he bought this car and had it shipped back to the US. After a number of years he then sold it to a professor in Middleburg, VA who in turn sold it to Lee. Lee has owned it and kept it in a garage tinkering on it for the past 25+ years. It is a 1962 Model Mark II (I believe). Completely original, no body damage, and still ran when he bought it. We are looking for someone who might be interested in buying it and getting it back on the road again. If you are able to circulate this note to your list of subscribers, perhaps there is someone who might like to restore it. They are welcome to get in touch with me. Thank you.
